

# PAY WHAT YOU CAN

*Let's Come Together!*

Lifetime Heating, Cooling, Plumbing & Electric understands that the holiday season can bring added financial stress, especially for those in our community who may be facing unexpected HVAC, plumbing, or electrical issues. In light of this, we are excited to offer our “Pay What You Can” initiative, designed to provide support to those in need during this challenging time. We genuinely encourage anyone who requires assistance with diagnostics or repairs to reach out to us without hesitation. Remember, it truly takes a community to navigate tough times, and we would be honored to be a part of yours, helping to ensure your home remains comfortable and safe for you and your loved ones.

\* For service work only.
